1.3 Major Meeting Topics:

- 1.3.1 **RICHARD WALKER:** Discussed booking Richard Walker for the weekend of October 15, 16, 17, 2010. Discussed funding options as current balance in bank account is \$1527.03. Given the expense of his workshop (\$500/day plus accomodation and travel) that budget would be used up. So decided to try to get 25 people at a cheap rate and sponsor the difference. Discussed accomodation options being at Connie's place in Qualicum Bay or Kathleen's place in Qualicum Beach. Discussed booking various halls: Bow Horn Bay community hall, Deep Bay facility, Errington Hall. Jessica volunteered to look into booking the Errington Hall. Rebecca suggested a one or two hour on the Friday night and Kathleen agreed to ask Richard if this is possible. Jessica agreed to post the info for the weekend on the Gaia college website to try and fill the workshop with S.O.U.L. educated members. This would eliminate the need to spend money to advertise and promote to the public.
